

Join Our District Deployment of Edmodo

<http://ccsdschools.edmodo.com>

We are excited to announce our district-wide deployment of Edmodo!

Edmodo is a free and secure social networking platform for teachers, students, parents and school administrators. Our district-wide deployment will give us access to advanced features that allow us to communicate more effectively across the district, *while maintaining all current account information.*

Throughout the year, we will conduct teacher trainings to demonstrate how we can use Edmodo to enhance collaboration and learning across our classrooms, schools and professional learning communities.

Please join our district community by following these easy steps:

1. Please go to <http://ccsdschools.edmodo.com>
2. If you already have an Edmodo account, log in with your existing credentials. If you do not have an account, sign up by selecting the "I'm a Teacher" button.
3. Enter your school code

See next page for school codes

School Name	School Code	School Name	School Code
A C Corcoran Elem	9gn9qq	Laurel Hill Primary	wpwo4g
