

NetStorage

How would you like to be able to access the files in your network “Home” directory from “your home”? Information Technology has completed a new service that will enable you to securely access your network home directory files as well as any of your shared directory files from a web browser.

To get started using this service, first contact the help desk at 843-308-8181 and request to have the “NetStorage” service activated for your account. Once the service is activated, you will be notified that your files are ready to be accessed from the internet.

How to access your files do you ask? Here’s all you will need to do:

1. Open your web browser and go to <http://myccsd.charleston.k12.sc.us/netstorage>
2. Enter your network ID and password.
3. A web page will open and you will have access to your home directory and the shared directory for you department.
