

# Social Studies SMART Board Lessons

## Quick Reference Guide

The CCSD Social Studies SMART Board Lessons for elementary schools are designed for teachers to use with their students to teach the South Carolina Social Studies Academic Standards. Lessons were written using the South Carolina Support Documents: [http://ed.sc.gov/agency/Standards-and-Learning/Academic-Standards/old/cso/social\\_studies/social.html](http://ed.sc.gov/agency/Standards-and-Learning/Academic-Standards/old/cso/social_studies/social.html)

Note: It is critical that teachers plan their instruction in advance for this tool to be effective.

- Teachers are **strongly urged** to preview lessons taking note of teacher pages, attachments (paperclip tab), and embedded teacher notes BEFORE teaching with a lesson.
- Lessons are organized by grade levels listing the standard indicator and lesson name. The first number is the grade level, the next number is the standard indicator. (Example: Lesson **3-1.3regions** would be the 3<sup>rd</sup> grade lesson for standard indicator 1.3 on regions.)
- Teachers may wish to use the lesson in full screen.
- A separate SMART file will be provided to explain how to copy fonts to your computer.
- Blank slides are included so that teachers may add to/modify the lessons.
- Files on the (U:) drive are "Read Only". If you would like to make changes to the lesson you will need to save the lesson in a different location such as your (H:) drive or flash drive.
