

## How to Export your Netscape Bookmarks

1. Open Netscape.
2. On the menu bar choose Bookmarks>Manage Bookmarks.
3. This opens the Bookmark Manager window. On the menu bar choose Tools>Export.
4. Navigate to the folder where you want to save your bookmarks.  
(You can create a folder called bookmarks on your directory.) Give the file a unique name and follow the normal Save As procedures in the Save As window.
5. This will return you to the Bookmark Manager window. Exit the window.
6. Exit from Netscape.
